BLACK LAMP HOLDER WITH REFLECTOR SUPPORT ASSEMBLY

WARNING! When installing and whenever acting on the appliance, ensure that the power supply has been switched off.
For the installation of the spare-part, it is necessary to consult a qualified electrician.

RF01396

BLACK LAMP HOLDER WITH REFLECTOR SUPPORT AND ELECTRICAL CABLE ASSEMBLY

Fig.1

To assemble the reflector assembly (highlighted in yellow in the image), it is necessary to loosen all the 4 screws of the cable tighteners (refer to red circle in the image), then insert the cable in the stem (we recommend to start by inserting the electrical cable from the reflector hand side). Once inserted the cable in the stem it is necessary to insert the cable inside the triangle bracket.

WARNING! When installing and whenever acting on the appliance, ensure that the power supply has been switched off.
For the installation of the spare-part, it is necessary to consult a qualified electrician.
