BASE

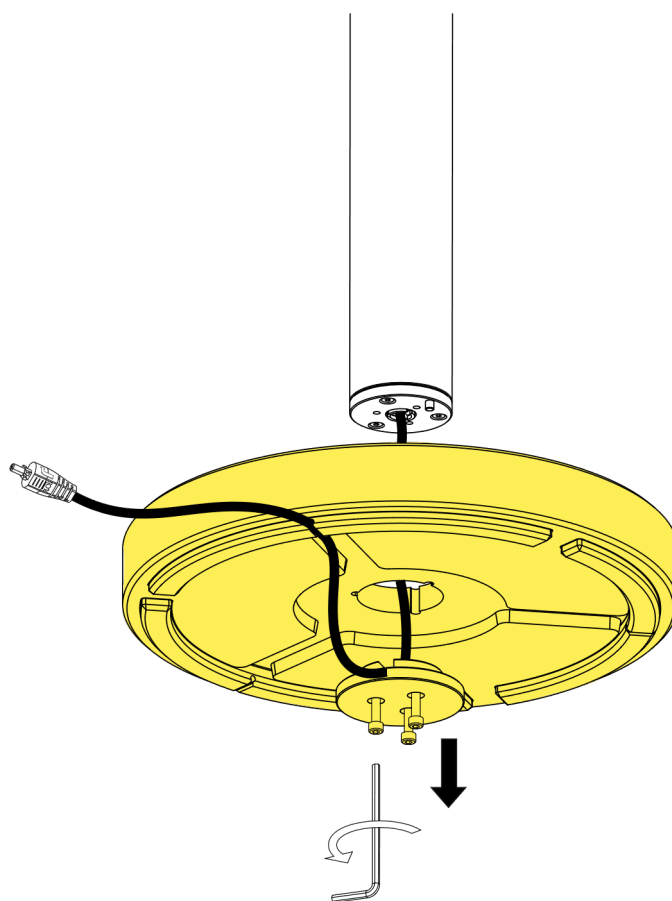

Fig.3

Unfasten the three screws under the old base (E). Disconnect it (F) from the body lamp (G).

Assemble now the new spare parts.

Install the new base to the body lamp and fast the screw under it.

Connect the plug to the push button switch locking it by turning it 90° clockwise.
(Fig.2)

Insert the plug into the power unit. (Fig.1)

WARNING! When installing and whenever acting on the appliance, ensure that the power supply has been switched off.
For the installation of the spare-part, it is necessary to consult a qualified electrician.
