Nickel plated brass cage

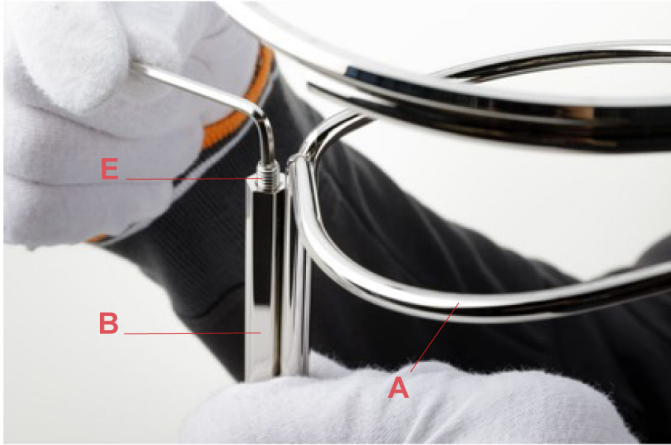

Fig.1

Fig.2

Unfasten the screw (E) and free the damaged bulb cage (A) from the rod (B).

Assemble now the new spare part:

Place the lamp bulb cage (A) on the rod (B), ensuring that the insert (C) present on the cage (A) hooks inside the opening (D) of the rod (B).

Lock the cage (A) to the rod (B) by fastening the screw (E).

WARNING! When installing and whenever acting on the appliance, ensure that the power supply has been switched off.
For the installation of the spare-part, it is necessary to consult a qualified electrician.
