265 Chromatica

Designed by Paolo Rizzatto, 1973

Incandescent - 60W

Seeming to defy gravity, the Mod 265 wall lamp by designer Paolo Rizzatto is in a category all its own. Multi-angle rotatable head and long, adjustable swing arm wall lamp. The lamp head—which rotates 360-degrees so that it can be aimed in any direction—provides a clean, direct light. The body is painted steel, with an adjustable arm and reflector. There is a chrome-plated brass reflector support. The counterweight is tapered cast iron. There is an on/off switch on the socket holder, and a plug in power cord measuring 80-inches. Available in black and white finish. Perfect for illuminating a dining table or the bedside. Inspired by a minimalist design, Paolo Rizzatto created this timeless piece in 1973.
