

Bellhop Wall Non Dimmable

Designed by Edward Barber and Jay Osgerby, 2018

Wall light version of the Bellhop Outdoor Collection for diffuse light, made of extruded and die-cast aluminium or stainless steel. Direct wall installation. Each luminaire is equipped with 200 mm length cable for connection inside the luminaire body. Recommended connection with a 2 way terminal block 4 poles IP68 H2O Stop, to be ordered separately. 100-240V power supply integrated.

Designed by Edward Barber and Jay Osgerby, Bellhop Wall translates the iconic Bellhop silhouette into an outdoor setting. Evolving from the original lamp created in 2016 for the Design Museum in London, it combines the familiar bell-shaped diffuser with a more architectural form. This model expands the collection's versatility to a vast new sector, bringing soft, functional lighting with the same understated elegance that defines the family.
