## Biagio

Designed by Tobia Scarpa, 1968

Halogen - 75W

Carved seamlessly from a single piece of exquisite Carrara marble, the Biagio lamp by Tobia Scarpa has been a favorite since the design's debut in 1968. A vision of elegance, the remarkable ultramodern geometrical shape of this unique table light commands the attention of any room in which it is placed. The Biagio uses an incandescent bulb and emits soft, direct light.
