Bon Jour

Designed by Philippe Starck, 2015

13W - 811lm - 2700K - CRI > 90

Using revolutionary Edge Lighting Technology, the Bon Jour combines maximum performance and efficiency with visual comfort. Users are able to effortlessly control the intensity of the direct light with just one click. This sleek and pure light can be customized according to personal tastes and styles by "dressing" it with a chrome, copper or matte white metallic plastic hat that incorporates the LED light source, and a shade available in multiple finishes and materials: amber colored injection molded plastic, which simulates the spirit of the ground glass of times past, or transparent yellow, in a more contemporary high tech style, or classic pleated fabric, or natural raffia. Inspiration behind the design: Bon Jour is a consistent collection of light, exploring the timeless elegance of high-technology dematerialization combined with the freedom of expressing your own creativity." - Philippe Starck

Main specifications

EAN	8059607001172
Mounting	Table
Environments	Indoor dry location
Light Source Type	LED
Light sources included	Yes
LED type	LED Module
Power (W)	13
System flux (lm)	811

Physical

Color	Chrome
Length (in)	11.14
Cord color	Grey
Cord length (in)	92.520
Net weight (lb)	3.64
Gross weight (lb)	8.07
Package volume (in)	3970.77
IP internal	20

Schematic light drawing

Photometric

Lighting type	Direct
Light distribution	Roto symmetric
CCT (K)	2700
CRI>	90
Extreme cut off	No

Electrical

Insulation class	III
Frequency (Hz)	50/60
Main voltage (Vac)	100-240
Driver	Remote included
Dimmable	Yes
Dimming type	Electronic 24V
Dimming interface	Dimmer Integrated
Plug type	Type A, Type C, Type G
Batteries inside	No

Ecodesign and Energy Labelling

This product contains a light source of energy efficiency class E
