

Circle of Light 24" Soft Piece

Designed by FLOS Architectural

Providing stunning illumination, the Circle of Light employs conical snoots with a reverse bevel edge so that glare is completely eliminated. Choose from three diameters and two optical distributions, to accommodate any lighting requirement. Trimless installation is fast and a refined finish is designed into the Circle of Light using our proprietary Soft Architecture manufacturing process. Lighting system, seamless ceiling mounted, for 24 individual LED lighting spots. Set of 24 spots, complete with junction box, power supply and cables, has to be ordered separately.

Are you a professional and your project needs consulting and support?
