

Glo-Ball Basic 1

Designed by Jasper Morrison, 1998

Halogen - 100W

Part of the popular Glo-Ball Series, the Glo-Ball Basic was created in 1998 by artist Jasper Morrison to invoke the radiant calm of a full moon. This modern table lamp has a white acid-etched blown glass diffuser, and the glass body is 30% fiberglass reinforced with an injection-molded polyamide (UL-94 V2) base. The die-cast aluminum diffuser support is painted gray. The polarized power cord comes with a 0-100% dimmer. Add a touch of serenity to any room with this contemporary table lamp. This lamp glows with a diffused light and comes in two models (sizes): Glo-Ball Basic 1 Table (4.33" D Base x 10.62" H x 12.99" D) Glo-Ball Basic 2 Table (5.70" D Base x 14.17" H x 17.71" D) Inspiration behind the design: Inspired by the soft and serene glow of a full moon in a clear sky, Jasper Morrison created the Glo Ball series to illuminate the otherworldly magic of the night.
