 F012J00CU05 Brushed Stainless Steel

IC C/W2 Outdoor

Designed by Michael Anastassiades

Wall or ceiling-mounted outdoor lamp emitting diffused light. Frame in brushed stainless steel, brushed brass finish or painted finish. Opalescent diffuser in blown glass. Structure treated with chemical conversion process for resistance to atmospheric agents. Supplied with seals for IP-rated connection and watertight cable gland. Light source with E14/E27 connection not included.

Designed by Michael Anastassiades, IC Outdoor takes the iconic IC language outdoors. Inspired by the visual tension of a sphere poised in perfect equilibrium, the design explores balance and movement through minimal, poetic forms. Mounted on wall or ceiling, IC C/W Outdoor brings soft, diffused light and a distinctly refined sculptural presence to exterior spaces.
