IC F2 Outdoor H 1852 mm

Designed by Michael Anastassiades

Outdoor floor lamp emitting diffused light. Frame in brushed stainless steel, brushed brass or painted finish. Opalescent diffuser in blown glass. Structure treated with chemical conversion process for resistance to atmospheric agents. Light source with E14/E27 connection not included. Supplied with 5 m outdoor cable with Schuko IP44 plug and IP65 backlit floor dimmer for ON/OFF and 30–100% brightness regulation. Dimmable LED bulb sold separately.

Designed by Michael Anastassiades, IC Outdoor takes the iconic IC language outdoors. Inspired by the visual tension of a sphere poised in perfect equilibrium, the design explores balance and movement through minimal, poetic forms. With its slender vertical profile, IC F Outdoor introduces a distinctly refined sculptural presence to exterior spaces.
