IC Lights S1

Designed by Michael Anastassiades, 2014

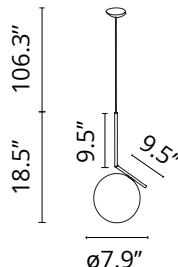

Halogen - 75W

Like the other pieces in the IC Light Series, the IC Lights S balances designer Michael Anastassiades' love of industrial simplicity with intricate symbolism. Providing diffused light through an opal blown glass diffuser, this pendant light is framed in brass-finished steel. Inspiration behind the design: Poise is powerful: That's the message Michael Anastassiades offers with his IC Light Series. From the skillful balance of the sphere and baton that invokes thoughts of a dexterous juggler's act to the lamp's name-IC, a reference to the identity code used to evaluate immigrants entering the UK-the designer makes a commanding statement.

Main specifications

EAN	8059607011348
Mounting	Suspension
Environments	Indoor dry location
Light Source Type	Bulb
Light sources included	No
Lamp category	Halogen
Lamp type	T4
Lamp holders	G9
Number of lamps	1
Power (W)	75

Physical

Color	Brass
Length (in)	7.87
Cord color	Black
Canopy color	Brass
Canopy height (in)	1.260
Net weight (lb)	4.3
Gross weight (lb)	8.05
Package volume (in)	2816.2
IP internal	20
