## KTribe Suspension 2

Designed by Philippe Starck, 2005

Halogen - 150W

A member of the KTribe family of products, this inspiring pendant light provides diffused light through a transparent diffuser that gracefully moves the eye upward. The inner diffuser is PC (polycarbonate) with a white opal finish. The outer diffuser is fum&egrave;re PMMA (polymethyl methacrylate) with silver on the inner surface applied by vacuum aluminum coating. There is a single support cable and a white ceiling rose. Inspiration behind the design: Designer Philippe Starck is known for an ability to create objects that "demand the most from the least," and the KTribe family of products is no exception to that rule. Streamlined and smart, it pushes boundaries while reflecting his focus on positive reduction and environmental consciousness.
