Maap W1

Designed by Erwan Bouroullec, 2026

LED retrofit - 4 x 80W

Wall lamp emitting diffused light. LED sources mounted on an iron support fixed to a round iron back plate. Lamp body in ultra-lightweight tear-resistant fibre material. Casing magnetically secured to the metal frame using large magnetic buttons. Designed to be manually crumpled to create its final form.

Maap by Erwan Bouroullec brings together three recurring themes in his work: geometry, natural structures and lightness. Conceived as an expansive surface of illumination, its ultralight, paper-like membrane must be crumpled during installation, confronting precise geometry with unpredictability and forming a luminous landscape that can be endlessly reshaped. Resembling a cloud of organic light, Maap diffuses a soft, immersive glow over a broad area with a design that is both radically simple and inherently complex.

Main specifications

EAN	8059607079560
Mounting	Wall, Floor
Environments	Indoor dry location
Light source type	Bulb
Light sources included	No
Lamp category	LED retrofit
Lamp holders	E27
Number of lamps	4
Power (W)	80
System power (W)	80

Physical

Length (mm)	1500
Net weight (kg)	3.9
Package volume (m3)	0.13
IP internal	20

Photometric

Lighting type	Total
Light distribution	Asymmetric
Extreme cut off	No

Electrical

Insulation class	II
Frequency (Hz)	50/60
Main voltage (Vac)	220-240
Dimmable	Yes
Dimming interface	Remote Dimmable (Dimmer Not Included)
Batteries inside	No

Bulbs

NOT INCLUDED

RF32288

LED Lamp E27 15W 2700K T38

NOT INCLUDED

RF32289

LED Lamp E27 15W 3000K T38

NOT INCLUDED

RF32563

LED Lamp 11.5W E27 220-240V
2700K A70

NOT INCLUDED

RF32564

LED Lamp 11.5W E27 220-240V
3000K A70
