Mayday Outdoor

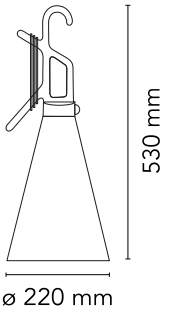

Designed by Konstantin Grcic, 2000

Halogen - 60W

Multipurpose lighting appliance emitting diffused light. Features a hook/handle that doubles as a cable winder and an injection-moulded opaline conical diffuser made from sustainable polypropylene produced from industrial process waste. Button switch located on the handle. As no glue is used in the assembly process, Mayday is easy to dismantle and properly recycle.

Designed by Konstantin Grcic in 1999, Mayday is a multipurpose lamp conceived as a functional tool. Its sturdy build, handle and long cable make it highly portable, while a subtle triangular notch in the diffuser even allows it to hang from a nail. In short, anything is possible with Mayday. The name nods to both the distress call and the optimism of spring. A modern icon now made with sustainable materials, it reflects Grcic's belief in democratic, purposeful design. Mayday won the Compasso d'Oro in 2001 and is part of the permanent collection at MoMA and other major design museums.

Main specifications

EAN	8059607019887
Mounting	Suspension
Environments	Indoor dry location
Light source type	Bulb
Light sources included	No
Lamp category	Halogen
Lamp holders	E27
Ilcos	HSGSA
Number of lamps	1
Power (W)	60

Physical

Colour	Orange
Length (mm)	220
Cord colour	Black
Cord length (mm)	4850
Net weight (kg)	0.7
Package height (mm)	550
Package width (mm)	225
Package length (mm)	225
Package volume (m3)	0.03
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.
