

Noctambule Floor 3 Low Cylinder Small Base

Designed by Konstantin Grcic, 2019

36W - 1057lm - 2700K

Noctambule LED dimmable floor lamp short cylinders with small base is a flamboyant, yet functional modern floor lamp lighting fixture crafted by the world-class designer Konstantin Grcic for FLOS. An innovative lamp that is practical and exquisite in equal measure, the product is available in an array of interesting designs. One of the highlighting aspects of this fixture is that it is very dynamic in nature. The lighting system has a transparent hand-blown glass cylinder as its foundation, which is surrounded on top and at the bottom by LED technology. Users can configure this as a pendant lamp or a standing lamp by using its additional components. Putting together these units can help form columns of light at different heights that illuminate at the intersecting points between these modules. Inspiration behind the design: Inspired by night owls, Noctambule by Konstantin Grcic features a transparent body that almost blends into a room when unlit, but makes its presence known when it illuminates at night. Noctambule means night owl in French.

Main specifications

EAN	8059607000885
Mounting	Floor
Environments	Indoor dry location
Light Source Type	LED
Light sources included	Yes
LED type	LED Module
Power (W)	36
System flux (lm)	1057

Physical

Color	Black
Length (in)	9.84
Cord color	Black
Net weight (lb)	38.14
Gross weight (lb)	49.16
Package volume (in)	14781.72
IP internal	20

Schematic light drawing

Photometric

Lighting type	Total
Light distribution	Symmetric
CCT (K)	2700
Extreme cut off	No

Electrical

Insulation class	III
Frequency (Hz)	50/60
Main voltage (Vac)	100-240
Driver	Remote included
Dimmable	Yes
Dimming type	Electronic 48V
Dimming interface	Dimmer Integrated
Plug type	Type A, Type C, Type G
Batteries inside	No

Ecodesign and Energy Labelling

This product contains a light source of energy efficiency class E

Replaceable (LED only) light source by a professional

Replaceable control gear by an end-user
