Nocturne S1 Cone

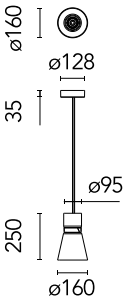

Designed by Konstantin Grcic, 2026

12W - 545lm - 2700K - CRI> 90

Suspended lamp emitting direct and ambient light. Extruded aluminium structure. Extra-clear borosilicate glass diffuser in conical form providing focused directional illumination. Die-cast aluminium Light Engine. Dual LED sources: COB LED and perimetral halo LED. Dimmable phase cut and DALI2.

Designed by Konstantin Grcic, Nocturne combines the precise logic of industrial aluminium with the timeless beauty of blown glass. In the suspension version, the system rises vertically, allowing one or more luminous volumes to structure the space. Conceived as a modular composition, Nocturne opens tailored possibilities for both architectural and domestic environments. Its innovative Light Engine activates the glass from within, pairing high-performance illumination with a soft halo that gives the transparent material a luminous, almost ethereal quality.

Mounting instructions PDF

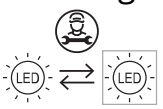

Main specifications

EAN	8059607082171
Mounting	Suspension
Environments	Indoor dry location
Light source type	LED
Light sources included	Yes
LED type	LED array, LED Module
Power (W)	12
Lumen Output (lm)	545

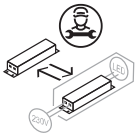

Physical

Colour	Silver
Length (mm)	160
Cord length (mm)	3000
Canopy length/diameter (mm)	128
Canopy height (mm)	36
Net weight (kg)	1.21
Package volume (m3)	0.04
IP internal	20

Ecodesign and Energy Labelling

Replaceable (LED only) light source by a professional

Replaceable control gear by a professional

IP 20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.

Photometric

Lighting type	Direct, Indirect
Light distribution	Roto symmetric
CCT (K)	2700
CRI>	90

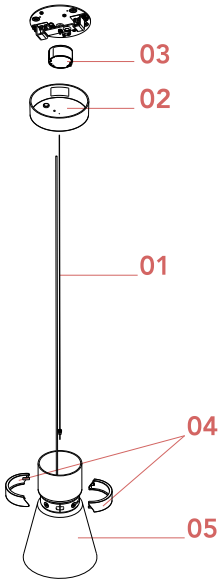

Electrical

Insulation class	I
Frequency (Hz)	50/60
Main voltage (Vac)	220-240
Power supply	Integrated
Dimmable	Yes
Power supply type	Mains Cut Dimming
Dimming interface	Remote Dimmable (Dimmer Not Included)
Batteries inside	No
