Smithfield Ceiling

Designed by Jasper Morrison, 2009

Incandescent - 4 x 60W

Smithfield Ceiling LED version is available in two color temperatures 2700K and 3000K. Available in 3500K, please inquiry for more details. Part of the Smithfield family, the Smithfield ceiling mounted dimmable lamp manages to be both grand and unassuming in halogen and LED versions. Providing direct light through its aluminum body, it is well suited for a variety of environments. Available in glossy black, matte black, mud, and white. Its diffuser is injection-molded opalescent PC (polycarbonate). The wall and ceiling attachment is steel. Inspiration behind the design: English designer Jasper Morrison is known for his ability to take the beauty that he sees in the world around him and translate it into his work. To that end, the Smithfield family was named for the Smithfield Market in London, where the artist was inspired by the industrial nature of the fixtures he saw. "I've always liked the industrial and functional character of these lights," he says. "I wanted to make a project out of them, looking for some way of making use of their efficiency in delivering light, and the forms themselves which are so much a part of the good atmosphere of industrial spaces."

Mounting instructions

Main specifications

EAN	8059607031469
Mounting	Ceiling
Environments	Indoor dry location
Light Source Type	Bulb
Light sources included	No
Lamp category	Incandescent
Lamp type	A
Lamp holders	E26
Number of lamps	4
Power (W)	60
System power (W)	240

Physical

Color	White
Length (in)	23.62
Net weight (lb)	9.92
Gross weight (lb)	21.16
Package height (in)	27.95
Package width (in)	12.2
Package length (in)	27.95
Package volume (in)	9536.22
IP internal	20

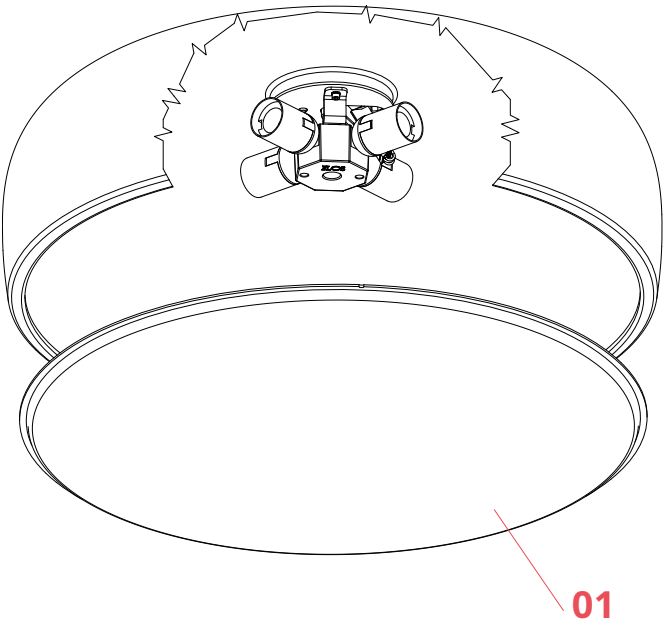

Photometric

Light distribution	Symmetric
Extreme cut off	No

Electrical

Insulation class	I
Frequency (Hz)	60
Main voltage (Vac)	120
Dimmable	Yes
Dimming interface	Remote Dimmable (Dimmer Not Included)
Batteries inside	No

Spare Parts
