F7431000 Polished Aluminium

Taraxacum 88 Suspension 1

Designed by Achille Castiglioni, 1988

LED retrofit - 60 x 3W

Suspension lamp emitting direct and reflected light. The modular structure comprises 20 pressed and polished aluminium triangles, supporting 60 exposed clear Globolux bulbs. Steel ceiling fitting and rose.

Taraxacum 88 is a striking, sculptural pendant lamp designed by Achille Castiglioni in 1988. Conceived as a contemporary chandelier, it evolves from the original Taraxacum with a bold, industrial character, replacing the Cocoon surface with exposed bulbs while still evoking the head of a dandelion. Designed for large communal spaces, it represents a radical departure from traditional pendant lamps and embodies Castiglioni's fascination with technical innovation. A true design icon, Taraxacum 88 merges functionality, avant-garde aesthetics and Castiglioni's signature wit.

Main specifications

Mounting	Suspension
Environments	Indoor dry location
Light source type	Bulb
Light sources included	Yes
Lamp category	LED retrofit
Lamp holders	E27
Ilcos	HSGSG
Number of lamps	60
Power (W)	3

Physical

Colour	Polished Aluminium
Length (mm)	800
Cord colour	Black
Cord length (mm)	5500
Canopy length/diameter (mm)	180
Canopy height (mm)	85
Net weight (kg)	20.8
Package volume (m3)	0.58
IP internal	20
