 F9513044 Grey Cable/Gold Ring

Wirering Grey

Designed by Formafantasma, 2018

16W - 712lm - 2700K - CRI> 90

An exercise in reduction, stripped back to its most essential elements, offering beautifully rendered light from a spectacular wall sconce like you have never seen. The wire holds a simple ring fitted with an LED strip. The cable and ring are available in different color combinations and a range of finishes. Inspiration behind the design: Elevating what is hidden, showcasing the lamp's wire, we appreciate its sculptural beauty.
