## 2097/30 US Chandelier with Incandescent & LED light bulbs

Designed by Gino Sarfatti, 1958

Incandescent - 30 x 15W

Since 1958, this iconic Gino Sarfatti design has served as an ultra-modern representation of the traditional mid-century chandelier. Every detail of this state-of-the-art ceiling light is exceptional, from the mirror-polish finish of its main steel structure to the way each bulb is fitted with its own horizontal arm and the graceful wiring meandering down the stem. The 2097 collection is available in incandescent and LED versions and in brass, chrome, and new matte black finishes. Available in three models: 2097/18, 2097/30, 2097/50. Behind the Design: Renowned for his contribution to the modern architectural movement in lighting, creator Gino Sarfatti designed the 2097 Chandelier in accordance with his legendary utilitarianism and overall desire to create humble yet powerful pieces.
