Ariette 2

Designed by Tobia Scarpa, 1973

Halogen - 4 x 40W

It looks like a stunning wall sculpture: organic, airy, and breathtaking, the Ariette wall lamp is a work of art by Tobia Scarpa. Providing diffused light, it features a synthetic fabric diffuser. This piece can be mounted on the ceiling as well as the wall. It has a 30% fiberglass reinforced polyamide ceiling fitting. Inspiration behind the design: His designs often double as artwork, and the Ariette is no different. Invoking the image of a kite floating upwards, Tobia Scarpa's stunning piece is an organically beautiful addition to any home.
