

FLOS

 FU158418 Deep Brown

Clessidra 40°+40°

Designed by Antonio Citterio, 2011

Inspired by the shape of the hourglass, the Clessidra lamp from Antonio Citterio emits diffused direct and indirect light. This stunning wall light has a body made of die-cast aluminum with a powder-coated finish and a diffuser in PMMA (Polymethyl methacrylate). There is an aluminum wall attachment. The cover is in PA66. The fixture has a moisture rating of IP55. A back-plate* with a brown finish is included to cover the junction box. Clessidra also has non-replaceable, specially designed high-efficiency lenses. Clessidra is an elegant option for illuminating hallways and outdoor spaces. It features an LED light source, and the fixture is non-dimmable. The Clessidra outdoor wall light is available in two beam spreads: • Outdoor: 20 + 20; Outdoor: 40 + 40 Choose from two finishes, anthracite or dark brown. This wall light is also available as an indoor fixture with different finishes. *Back plate not shown in the image.
