 F1856044 Anodized Champagne

Coordinates Ceiling 4

Designed by Michael Anastassiades, 2020

157W - 8830lm - 2700K - CRI> 95

Coordinates is a lighting system consisting of horizontal and vertical strip lights that form illuminated grid-like structures of various complexities. Each element is made of extruded anodized aluminum with a champagne finish and a diffuser in platinum optical silicone with an integrated LED strip (CRI 95). Each element is powered and supported by an invisible electrical and mechanical connection designed specifically to allow for the composition of the three ceiling models (C1 – C2 – C4), which may be combined with the respective Long versions for high ceilings (C1 Long, C2 Long, C4 Long). The ‘Module C’ is also available for large-scale installations Available in two finishes: Champagne and Argent Behind the design: This design evolved from a commission for the feature lighting of the main dining area of the historic Four Seasons restaurant in New York City. The restaurant relocated and opened in 2018 with the interiors designed by S˜o Paolo-based architect Isay Weinfeld.

Main specifications

EAN	8059607001684
Mounting	Ceiling
Environments	Indoor dry location
Light Source Type	LED
Light sources included	Yes
LED type	LED Module
Power (W)	157
System flux (lm)	8830

Physical

Color	Anodized Champagne
Length (in)	69.68
Net weight (lb)	17.86
Package volume (in)	4079.57
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order to improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.
