Find Me 1 (Trim/No Trim)

Designed by Jorge Herrera, 2016

Hide-and-go-seek brought to light. The versatile Find Me is a tiny semi-recessed downlight hidden in the ceiling until otherwise sought. With a simple pull, the downlight can extend below the ceiling and transform into a refined cylindrical monopoint. This diminutive yet powerful luminaire is endlessly versatile and can tilt 90 degrees and rotate 360 degrees. Deep matte black snoot maximizes cut off and reduces glare. The Find Me line is available as a single with trim or without and as a pendant.
