Foglio

Designed by Tobia Scarpa, 1966

Incandescent - 2 x 100W

Resembling a shirt cuff, the contemporary Foglio wall lamp from design master Tobia Scarpa is a mixture of timeless and contemporary design. The lamp's body is formed by power-painted pressed steel. The two lamp supports are injection-molded white nylon. The Foglio emits indirect light. It is HPF electronic ballast standard. Inspiration behind the design: Sometimes inspiration comes from the things we see everyday. For Tobia Scarpa, that meant his shirt's cuffs-which helped inspire the Foglio's unique design.
