FU627500 Grey/Glass

Ktribe Table Lamp
Designed by Philippe Starck, 2007

Halogen - 100W

FLOS

A member of the Ktribe family of products, this inspiring table light provides diffused light through a transparent diffuser that gracefully moves the eye upward. The base, rod, and diffuser support are die-cast, polished Zamak alloy. It features polished aluminum tubular and an injection-molded, matte black PA (nylon) base cover. The opal inner diffuser is injection-molded PC (polycarbonate). The outer diffuser is transparent or fumèe PMMA (polymethyl methacrylate). Inspiration behind the design: Designer Philippe Starck is known for an ability to create objects that "demand the most from the least," and the Ktribe family of products is no exception to that rule. Streamlined and smart, it pushes boundaries while reflecting his focus on positive reduction and environmental consciousness.
