## Noctambule Floor 4 High Cylinder Big Base

Designed by Konstantin Grcic, 2019

45W - 1378lm - 2700K

The brainchild of master designer Konstantin Grcic, Noctambule by FLOS is a futuristic lighting system that blends innovation, efficiency and aesthetics. Its transparent hand-blown glass cylinder is surrounded by discrete LED technology on top and at the bottom, thus making the foundation of the lamp stylish and stunning. The user can attach additional components to the fixture in order to experiment with different styles of lighting. This helps create columns of light at varying heights that light up at the intersecting points between each module or unit. Noctambule LED dimmable floor lamp cylinders, cone, bowl top, large base can be configured as a hanging lamp or a standing light, depending on the need and preferences. Its dimming capabilities can be set through the power supply unit within the ceiling rose, or via a pedal panel on the power cord. The modern lamp's cylindrical body is available at both a low and high height, while users can choose between the dome-shaped head or cone-shaped head for a more direct light source. Other NOCTAMBULE floor lamps options: NOCTAMBULE FLOOR LAMP WITH 1 - 4 LOW CYLINDERS & SMALL BASE NOCTAMBULE FLOOR WITH 1 - 3 HIGH CYLINDERS & SMALL BASE NOCTAMBULE FLOOR WITH CONE TOP & SMALL BASE Inspiration behind the design: Inspired by night owls, Noctambule by Konstantin Grcic features a transparent body that almost blends into a room when unlit, but makes its presence known when it illuminates at night.

### Ecodesign and Energy Labelling

This product contains a light source of energy efficiency class E

Replaceable (LED only) light source by a professional

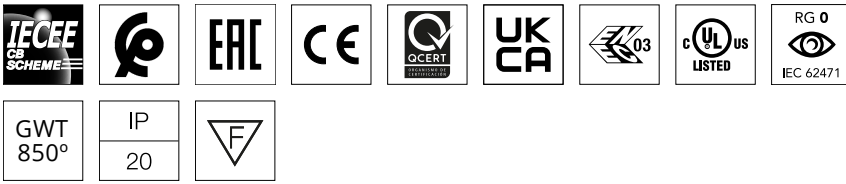

Replaceable control gear by an end-user

## Main specifications

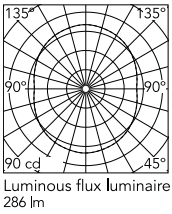

EAN	8059607000922
Mounting	Floor
Environments	Indoor dry location
Light Source Type	LED
Light sources included	Yes
LED type	LED Module
Power (W)	45
System flux (lm)	1378

## Physical

Color	Black
Length (in)	21.65
Cord color	Black
Cord length (in)	70.866
Net weight (lb)	60.19
Package volume (in)	21271.74
IP internal	20

## Schematic light drawing

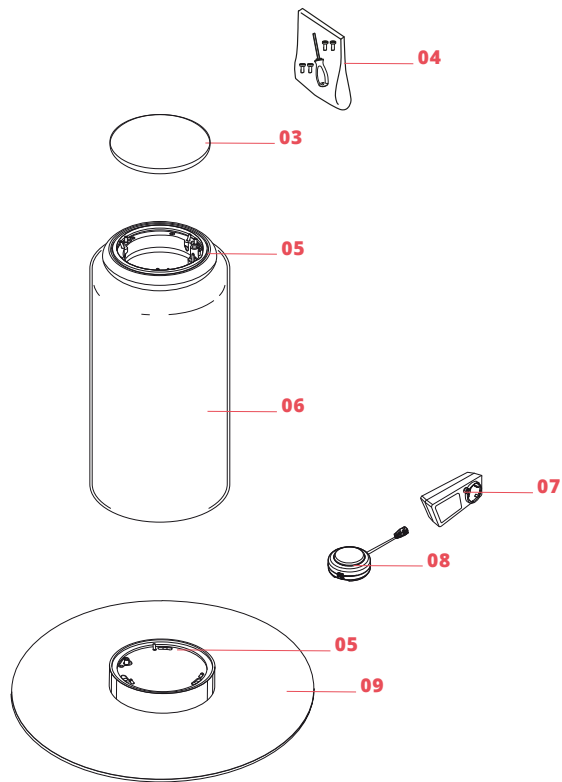

## Photometric

Lighting type	Total
Light distribution	Symmetric
CCT (K)	2700
Extreme cut off	No

## Electrical

Insulation class	III
Frequency (Hz)	50/60
Main voltage (Vac)	100-240
Driver	Remote included
Dimmable	Yes
Dimming type	Electronic 48V
Dimming interface	Dimmer Integrated
Plug type	Type G, Type A, Type C
Batteries inside	No

## Spare Parts

03.	Terminal cap	F0293030
04.	Fixing screws kit	RF0254100
05.	Ring led diffuser	RF27498
06.	Noctambule High Cylinder	F0257000
07.	Black plug assembly kit & 48V driver	RF6600130
09.	Big base	F0262030
