

Noctambule Suspension 6 Low Cylinder

Designed by Konstantin Grcic, 2019

63W - 2054lm - 2700K

Interior Design's 2019 Best of Year Awards Winner Another pioneering lighting design in the array of lamps and lighting fixtures FLOS is known for, Noctambule LED dimmable pendant light with tall cylinders is one of designer Konstantin Grcic's finest creations. Adaptable to any interior space, this dynamic fixture can be configured as a pendant lamp or standing light using the additional components available with the product. Inspired by night owls, Noctambule by Konstantin Grcic features a transparent body that almost blends into a room when unlit, but makes its presence known when it illuminates at night. Available in a variety of unique and distinct design options, Noctambule pendant lamp by FLOS comes with a cylindrical body (at a low or high height) that can be combined with a dome or cone shaped head in case you require a more direct lighting source. Its dimming capabilities can be controlled from the power unit with the ceiling rose or the pedal operated panel in the power cord.

Main specifications

EAN	8059607073599
Mounting	Suspension
Environments	Indoor dry location
Light Source Type	LED
Light sources included	Yes
LED type	LED Module
Power (W)	63
System flux (lm)	2054

Physical

Color	Black
Length (in)	9.84
Cord color	Black
Cord length (in)	157.480
Canopy length/diameter (in)	7.362
Canopy height (in)	1.772
Net weight (lb)	52.69
Package volume (in)	25723.8
IP internal	20
