Parentesi
Designed by Achille Castiglioni and Pio Manzu, 1971

Halogen - 120W

Borne out of a 1971 collaboration between Achille Castiglioni and Pio Manzù, the Parentesi was named for the parenthesis symbola visual reference to the nickel-plated shaped tube that lives on a floor-to-ceiling steel cable. The steel cable can reach up to 157", and the tube allows the lamp head to move vertically along the cable to achieve a customized height. The head fixture is injection-molded black elastomer, equipped with a switch. The Parentesi provides direct lighting and is available in black, nickel, or red.Note: Lamp bulb and dimmer are sold separately.Inspiration behind the design: "Pio Manzù had the original idea for Parentiesi, explains Achille Castiglioni. He thought up a fixed vertical boom and a cylindrical box with a slot for the light, which went up and down: you stopped it with a screw. He replaced the boom with a metal cord that, when bent, creates friction and enables the lamp to be in position without requiring any screws."

Main specifications

EAN	8059607072783
Mounting	Suspension
Environments	Indoor dry location
Light Source Type	Bulb
Light sources included	No
Lamp category	Halogen
Lamp type	R40
Lamp holders	E26
Number of lamps	1
Power (W)	120

Physical

Color	Nickel
Length (in)	4.33
Cord color	Black
Cord length (in)	157.480
Canopy color	Black
Canopy lenght/diameter (in)	2.520
Canopy height (in)	0.787
Net weight (lb)	7.05
Package height (in)	24.02
Package width (in)	3.54
Package length (in)	4.92
Package volume (in)	418.81
IP internal	20

UL CERTIFIED US - CA	GWT 850°	IP 20	IK 00

Photometric

Lighting type	Direct
Light distribution	Symmetric

Electrical

Insulation class	II
Frequency (Hz)	60
Main voltage (Vac)	120
Dimmable	Yes
Dimming interface	Dimmer Integrated
Plug type	Type A
Batteries inside	No

Spare Parts

01.	Complete nickel rose	RF5400158
02.	Anchor hook screw	RF06745
03.	OK/Parentesi Kit Dowel for Plasterboard	F4641000
04.	Parentesi 4m steel cable	RF01442
