

Pochette Up/Down Led

Designed by Rodolfo Dordoni, 2003

Designed by Rodolfo Dordoni, Pochette Up & Down, an indoor LED wall sconce providing upward and downward lighting for a harmonious indirect and direct light in residential or commercial settings. Pressured die-cast Zamak alloy, this wall sconce is available in matte gray, white or chrome-plated finish. Molded steel, galvanized white back plate contains the wall attachment system as well as the electrical devices. Inspiration behind the design: His work draws inspiration from a minimalist aesthetic: like Rodolfo Dordoni's most beloved designs, the Pochette makes good use of less material to create a piece that is decidedly efficient.

Main specifications

EAN	8059607012253
Mounting	Wall
Environments	Indoor dry location
Light Source Type	LED
Light sources included	Yes
LED type	LED Module
Power (W)	22
System flux (lm)	1744

Physical

Color	Chrome
Length (in)	7.76
Net weight (lb)	3.75
Package height (in)	10.43
Package width (in)	5.32
Package length (in)	7.09
Package volume (in)	392.99
IP internal	20
