

Romeo Moon Suspension 2

Designed by Philippe Starck, 1996

Incandescent - 150W

Like its floor lamp incarnation, the Romeo Moon S sees a classic silhouette with a brilliantly modern update. In this pendant version, three steel cables support its finely fluted, molded glass lampshade. The internal white glass diffuser is etched, and there is a 15' transparent cord. Inspiration behind the design: Known for his ability to make magic from minimal materials, artist Philippe Starck's Romeo collection focuses on iconic, classic silhouettes to give them new life-and a timeless look.
