Skygarden 2

Designed by Marcel Wanders, Marcel Wanders studio, 2007

Halogen - 150W

Imagine a stunning display blooming above you: Created by Marcel Wanders, the Skygarden S is just that. A gracefully hanging hemisphere, the pendant lamp makes a powerful impression with its sheer size. However, it is the inner diffuser in white painted cast plaster that steals the show. Standing beneath it, you will see the intricate design that gives this piece its name. The Skygarden's plaster diffuser support is die-cast aluminum alloy. Its upper cable gland and blocking ring nut come in black injection-molded PC (polycarbonate). Shaped adjustment screws are included. The upper and lower silicone shock absorbers are injection-molded and transparent. The lamp-holder and fixing support come in PPS. The diffuser is flashed and blown opal glass. The molded fixing ring nut is die-cast aluminum alloy with alodine plating. The frieze is photo-etched and mechanically drawn AISI 304 steel. The ceiling attachment is molded and galvanized steel ceiling attachment. It has a gray, injection-molded PA6 (Nylon) rose, steel wire, and a FEP/SIL UV-stabilized transparent power cord. The Skygarden S emits diffused light and is available in black, brown, bronze, matte black or white. Diffusers are available in three sizes (models): SKYGARDEN S1: 11.8" x 23.6" & Oslash; SKYGARDEN S2: 17.7" x 35.4" & Oslash; SKYGARDEN Small: 7.8" x 15.7" & Oslash; Inspiration behind the design: A house Marcel Wanders once lived in, which featured an old and ornate plaster ceiling that he dubbed his "Skygarden," inspired this artistic piece. Wishing that he could take this "garden on the ceiling" with him when he moved, Wanders created this pendant lamp so that he could do just that-and then share it with the world.

Main specifications

EAN	8059607029787
Mounting	Suspension
Environments	Indoor dry location
Light Source Type	Bulb
Light sources included	No
Lamp category	Halogen
Lamp type	T
Lamp holders	E26
Number of lamps	1
Power (W)	150

Physical

Color	Rusty Brown
Length (in)	35.43
Cord color	Clear
Cord length (in)	106.299
Canopy color	Rusty Brown
Canopy lenght/diameter (in)	6.772
Canopy height (in)	3.386
Net weight (lb)	63.93
Package height (in)	26.77
Package width (in)	44.09
Package length (in)	44.09
Package volume (in)	52052.97
IP internal	20

Photometric

Light distribution	Symmetric
Extreme cut off	No

Electrical

Insulation class	I
Frequency (Hz)	60
Main voltage (Vac)	120
Dimmable	Yes
Dimming interface	Remote Dimmable (Dimmer Not Included)
Batteries inside	No
