Taccia Small

Designed by Achille and Pier Giacomo Castiglioni, 1962

16W - 2700K

The Castiglioni brothers often created designs that challenged our perspective, and the Taccia, which gives the illusion of an upside-down hanging lamp, is an inspired example of that. This smaller version is approximately half the size of the original design created in 1962. It has a painted aluminum reflector that is gloss white on the inside and matte white on the outside. The diffuser is transparent blown glass and can change direction. The body is available in matte black or naturally anodized extruded aluminum. The base is nickel-plated ABS and PC (polycarbonate). It features an electric cable that measures 190-centimeters and includes a dimmer switch on the cord. Light adjustment can be customized between 10-100%. The plug-in power supply includes interchangeable plugs. Inspiration behind the design: Using a minimalist approach, Achille and Pier Giacomo Castiglioni used perspective to change the way we see everyday objects.

Main specifications

EAN	8059607006740
Mounting	Table
Environments	Indoor dry location
Light Source Type	LED
Light sources included	Yes
LED type	LED array
Power (W)	16

Physical

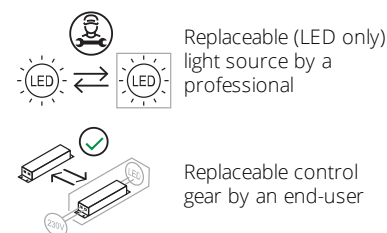

Color	Black
Length (in)	5.59
Cord color	Black
Cord length (in)	74.803
Net weight (lb)	9.37
Package volume (in)	6450.23
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order to improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.

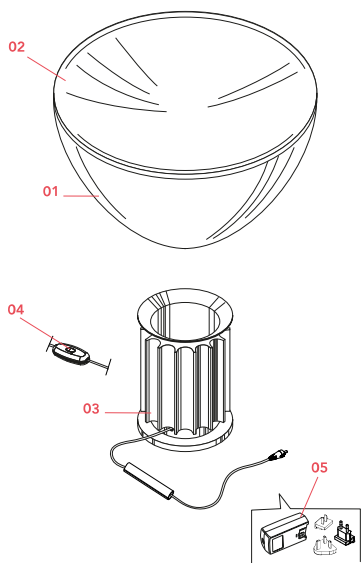

Photometric

Lighting type	Indirect
Light distribution	Asymmetric
CCT (K)	2700
Extreme cut off	No

Electrical

Insulation class	III
Frequency (Hz)	50/60
Main voltage (Vac)	100-240
Driver	Remote included
Dimmable	Yes
Dimming type	Electronic 24V
Dimming interface	Dimmer Integrated
Plug type	Type G, Type A, Type C
Batteries inside	No
